The Honorable John B. Bennett  
U. S. House of Representatives  
Washington 25, D. C.

Dear Mr. Bennett:

Reference is made to my letter dated 1 February 1952 in response to your letter of 26 January 1952 in behalf of [redacted]. General Davis has told me that you and he visited briefly on the telephone last Friday concerning [redacted] application for employment with us.

[redacted] has been interviewed here by several of our people and we have explored with him all the employment possibilities we have at the present time. Unfortunately, [redacted] salary requirement and experience are in excess of that required for the limited positions now available. We have discussed this situation with him and have assured him that we will be pleased to retain his application on file in the event future openings should develop which would be more in line with his level of experience and with a more acceptable salary.

We appreciate your interest in this Agency and if we may be of further service to you at any time please do not hesitate to call on us.

Very sincerely,

SIGNED:
